V Future things and new business

-Staff spotlight awards announcement will need to go out mid to no later than late October

-We will probably need a 2<sup>nd</sup> short meeting in November to choose a winner -Last year the money went into account before winner announced -Mary Beth will see if the SoVA shop guys want to make the gift this year, need by start of December

-Catherine talked to Amy Bucha about the new Newsline to see if Staff Council announcements have to go through it. This would mean more planning and less turn around time and possibly less Staff seeing announcements. Amy is checking.
