Agenda Items:

April's meeting minutes were approved

Committees should elect a chair before break

(Faculty Senate Rep, Denise Costanzo - guest)

Denise: Faculty Senate wanted to raise benefits awareness and various forms of assistance. Maybe speak at the next All-College meeting and advocate EAP Program.

Jeanmarie, Mallika, and Heather agreed it would be beneficial.

Jeanmarie: Suggested calling a Faculty Council meeting in September to discuss.

Denise: She would like to show where to look on the website because it isn't easy to find.

Aaron: This seems more like a design problem not a benefits problem

Bonj: Can we have a visual flow chart or video presented in advance and go through the flow chart which will direct the process?

Denise: She can prepare and Heather volunteered to assist. Jeanmarie will follow-up with Denise and Heather.

20/21 Committee Councils List

Bonj: Charlene is FC Chair and on the Faculty Senate. It will be a lot of work. Jeanmarie stay on a Chair one more year? Consult with Keith Shapiro

Sarah Watts is listed twice on FC. Jennifer will contact David Frego about finding another music representative.

Heather: The Wednesday meeting times can cause a conflict to those of us who are serving on multiple college-level committees.

At Large Nominations

Aaron recommends At Large working group subcommittee to drum up nominees.
